

KSA automotive FinTech — multi-step car financing flows, full client delivery cycle.
Stack: Flutter · BLoC · Clean Architecture · REST APIs · Multi-step form engine · Arabic RTL

IT OPERATIONS BACKGROUND

Technical Support Supervisor

Jan 2020 – May 2025

[Smart – Digital Services](#) · [Egypt Smart Cards](#) [\[11 Years Experience Certificate\]](#)

11 years government digital transformation — 4,000+ POS terminals, 3M+ smart card users, 100,000+ daily transactions, 3 governorates. ITIL 4 · SLA governance · PowerBI · Python automation · team supervision. This background means I build production mobile apps with the same mindset as enterprise IT delivery — reliability, edge cases, and what breaks under real usage at scale.

Sr. E-Payment Solutions & Pre-Sales

Jan 2018 – Jan 2020

[Damen e-Payment](#) · FinTech · [Egypt Smart Cards subsidiary](#)

Led FinTech digital transformation — 4,000+ POS terminals, 3,000,000+ monthly transactions. [🏆 #1 Employee Certificate — All 24 Branches 2020](#)

Technical Support Engineer (Junior → Senior)

Jul 2014 – Dec 2019

[Smart – Digital Services](#)

5-year progression — Windows Server, Active Directory, LAN/WAN, POS infrastructure. CCNA · CEH · MCSE certified.
